Object: Nomination Committee – Clarification regarding Conflict of Interest Declaration Form

Dear Mr Sepúlveda,

As part of the ongoing nomination process, the IFSC Nomination Committee has reviewed your candidature dossier, including the Conflict of Interest Declaration Form. During this review, we noted that some questions were left blank rather than being explicitly marked as “None” or “N/A.”

After careful consideration, the Nomination Committee has agreed that unanswered questions in the form will be interpreted as “None” or “N/A.” While this is not a major issue, we have a duty to formally inform you of this observation. Please note that this matter will be recorded in the final report for transparency and completeness.

No further action is required on your part at this time, but should you have any questions or concerns, please do not hesitate to reach out.

Thank you for your attention to this matter, and we appreciate your continued cooperation in the nomination process.

With best regards,

Dagmawit Girmay Berhane
Chair of the Nomination Committee
