

Guidelines regarding Authorised  
Identifications Olympic Games  
Paris 2024

Sport-specific Guidelines

# IFSC SPORT CLIMBING

All General Principles apply unless expressly mentioned otherwise hereafter (in particular in relation to size, frequency or location).

Please refer to the “Identifications on NOC Team Apparel Practical Guidelines”, and General Guidelines (released Summer 2023) to obtain the general principles of Authorised Identifications on NOC uniforms at the Olympic Games.

## APPLICATION OVERVIEW

---

Please use this document in conjunction with the Practical/General Guidelines documents for a full overview.

In the following pages, it is also indicated if the identification needs to be placed in a specific place [Precise] or if the placement is not specified [Floating].

Precise identification    Floating identification

Authorised Identifications include:

- Identification of the Manufacturer
- Product Technology Identification
- NOC Emblem and National Identity
- Homologation Marks

## SUBMISSION PROCESS

---

The IOC has set up a new tool for items to be reviewed and offer assistance. The new Uniform Submission tool is now live on [RELAY](#), where uniforms can be submitted to the IOC for review.

If you are an NOC who does not have access to RELAY and needs access to submit the uniforms, please email [nocnet@olympic.org](mailto:nocnet@olympic.org)

It is mandatory to submit the design of the competition uniform for the IFSC review in compliance with Section 7. It is highly encouraged NOCs to submit sport equipment to minimise any possible Games-time issues. Once a submission has been made through the IOC's online submission tool, NOCs will be notified of the "reviewed" or "non-compliant" status of their submitted items.

Before the competition, the competition uniform and sport equipment items will undergo a mandatory check by the IFSC.
