- to inform IFSC immediately of any adverse analytical finding from doping tests of any Athlete and of disciplinary proceedings in connection with such;
- to start, upon request of IFSC and without delay, disciplinary proceedings against any Athlete who has been subject to an adverse analytical finding from a doping test and to keep IFSC fully informed about the progress of any such proceedings;
- to ensure that the Athlete has been physically examined by a qualified medical practitioner and declared fit to compete in IFSC international Sport Climbing competitions;
- to ensure that the Athlete has been screened for REDs and to submit Medical Data via REDCap for the Athlete, as detailed in the IFSC REDs Health Screening Rules;
- to constantly monitor the physical fitness of the Athlete, in order that the Athlete does not take part in competitions for which their health and fitness is in doubt;

### IMPORTANT NOTICE

- All Athletes (including youth Athletes, refer to the IFSC *Competition Rules* for the category list) competing in IFSC international Sport Climbing competitions must be in possession of an International Athlete Licence issued by IFSC.
- Those Athletes for whom their belonging National Federations have not applied for an International Athlete Licence or those who have not been registered for the relevant competition will NOT be allowed to compete in IFSC sanctioned events.
- The National Federation agrees to comply with the IFSC REDs Health Screening Rules. In case of failure to comply, the National Federation accepts that sanctions and restriction to access competitions might be applied to the Athlete and/or the National Federation.
- The validity of each International Athlete Licence expires at the end of the current calendar year.
- Each year, before the first competition of the season (or before the first competition of the season in which their Athletes intend to participate), every National Federation shall apply for new licences or for the renewal of existing ones, in writing using this form. The forms shall be completed following all instructions included in the IFSC Result System.
- The 2025 International Athlete (Team Official) Licence annual fee amounts to EUR 40 / Athlete (Team Official), for both new and renewed licences. Such fees shall be paid upon receipt of the relevant invoice at the end of the event season.
- All licences whose status is "Confirmed" in the IFSC Result Service are included in the above-mentioned invoice, regardless the effective participation of the Athlete, and are subject to the payment of the relevant fee.

Therefore,

By clicking "I hereby confirm to have read, understood and agreed to the International Athlete Licence" on the IFSC Result Service, you are undersigning this document.

**The Licence will be considered valid only when its status on the IFSC Results Service appears as "Confirmed" after both the National Federation and the Athlete have confirmed it.**
