Object: Nomination Committee – Clarification regarding Conflict of Interest Declaration Form

Dear Ms Beste,

As part of the ongoing nomination process, the IFSC Nomination Committee has reviewed your candidature dossier, including the Conflict of Interest Declaration Form. During this review, we noted that while you have declared your roles within the DAV and within IFSC Europe in the Nomination Form, these roles were not formally recorded in the Conflict of Interest Declaration Form, where the relevant sections were marked with a symbol signalling 'not applicable'.

For the sake of transparency and completeness, the Nomination Committee has the duty to formally inform you of this discrepancy and the matter will be recorded in the final report.

We appreciate your attention to this matter and your continued cooperation in the nomination process.

With best regards,

Dagmawit Girmay Berhane
Chair of the Nomination Committee
