# WELCOME NOTE

**I am delighted to welcome you – athletes, National Federations, and International Rights Holders to NEOM. It is an honour to host the NEOM Beach Games for the third time and to share our unique region once again in the northwest of Saudi Arabia with you.**

As the Games begin we are focused on surpassing the previous editions of the Games for all of you. Your experience is paramount to us and we aim to deliver to the highest standards. We are excited to introduce a new event to the Games – the World Aquatics Open Water Swimming World Cup NEOM. This thrilling competition will feature Olympic medalists and world champions competing on the shores of the Red Sea in two challenging events: the 10,000-meter individual race and the 4 x 1,500-meter mixed relay.

We are also pleased to welcome back: supertri NEOM, FIBA 3x3 World Tour NEOM 2024, NEOM IFSC Masters, NEOM Beach Soccer Cup, and NEOM TITAN Desert. It will be fantastic to see returning athletes and new competitors come together for an exciting three weeks of sporting action in NEOM.

Witnessing the performances of the athletes and partnering with national federations and international rights holders strengthens our ambitions of building a high-performance culture and inspiring the next generation of athletes across Saudi Arabia. Your dedication to excellence is what drives us forward and inspires us all.

As we embark on this journey together over the next few weeks, I invite you to immerse yourselves in the unique spirit of NEOM. We believe this year's Games will be an unforgettable experience for everyone involved.

Thank you for your continued support, and good luck to all.

# ABOUT NEOM

NEOM is an accelerator of human progress and a vision of what a New Future might look like. It is a region in northwest Saudi Arabia on the Red Sea being built from the ground up as a living laboratory – a place where entrepreneurship will chart the course for this New Future. It will be a destination and a home for people who dream big and want to be part of building a new model for exceptional livability, creating thriving businesses and reinventing environmental conservation.

NEOM will include hyperconnected, cognitive cities, ports and enterprise zones, research centers, sports and entertainment venues and tourist destinations. As a hub for innovation, entrepreneurs, business leaders and companies will come to research, incubate and commercialize new technologies and enterprises in groundbreaking ways. Residents of NEOM will embody an international ethos and embrace a culture of exploration, risk-taking and diversity.

## NEOM'S VISION

The land of the future, where the greatest minds and best talents are empowered to embody pioneering ideas and exceed boundaries in a world inspired by imagination.

### NEOM is...

- An accelerator of human progress
- A sustainable region in northwest Saudi Arabia
- Ideally located at the crossroads of the world
- Being built from the ground up to include THE LINE, Sindalah, Oxagon and Trojena
- An economic engine for the region and the world
- A powerful approach to environmental conservation
- A living laboratory where entrepreneurship will chart the course for a new future
- A home for an international community of dreamers and doers
- A place with exceptional livability and breathtakingly diverse terrain

# BEFORE YOU TRAVEL

## GEOGRAPHY

Saudi Arabia, officially the Kingdom of Saudi Arabia (KSA), is a country on the Arabian Peninsula in Western Asia. It borders Iraq (814 km), Jordan (744 km), Kuwait (222 km), Oman (676 km), Qatar (60 km) and UAE (457 km).

Saudi Arabia has a population of 36.41 million with the capital, Riyadh, the most densely populated.

## WEATHER

NEOM's unique geographical location permits a climate temperature that is known to be roughly 10C cooler on average than the rest of the Gulf region. Between October and December, NEOM enters its cool season, with an average daily high temperature around 25C (76°F), cool winds and low probability of rain.

For those who are visiting and accommodated at the Mountain Village in Bajda, the elevation of 1,000m (3,000ft) brings slightly lower daily highs and nightly lows of 5C (41F).

## TRAVEL

When travelling to the Kingdom of Saudi Arabia, visitors are advised to arrive at their departure airport up to three hours before take-off. Many airports are experiencing longer wait times than usual for check-ins and security, so it is important to give yourself plenty of time on arrival.

Travelers are also recommended to check with their airline regarding policies related to COVID-19, including the use of masks and proof of vaccinations and/or negative PCR test for onward and return travel.

International visitors must have medical insurance to cover COVID-19 expenses. Please check with your organizer if you are in doubt of your insurance coverage.

**To enter the Kingdom of Saudi Arabia, all visitors must have a valid medical insurance policy that meets the following minimum requirements:**

- Minimum coverage: EUR 300,000 for medical treatment
- Coverage area: Kingdom of Saudi Arabia
- Repatriation: Coverage for repatriation to the home country
- Trip cancellation insurance (optional).

Please ensure that your health insurance provider offers coverage that meets these specific requirements for the Saudi visa.

## **VISAS**

Entry or Visit VISA is required to enter the Kingdom of Saudi Arabia. Your organizer has provided the required VISA application information to the NEOM Beach Games to apply for the visit VISA on your behalf. NEOM Beach Games will be in contact with you directly if any further information is required. Your completed VISA will be sent to you by email. If you have any questions or concerns about this process, contact your organizer.

Note that if you are a GCC citizen, you do not require a VISA, you just need a valid passport.

## **POWER TYPE**

For Saudi Arabia the associated plug is Type G, which is the plug that has three rectangular pins in a triangular pattern. Saudi Arabia operates on a 230V supply voltage and 60Hz. For those travelling from countries who do not use Type G, you are recommended to use a power and voltage adapter.

## **COVID-19**

At the time of publication of this guide, there are no requirements for COVID-19 testing prior to entry into Saudi Arabia. The NEOM Beach Games recommend exercising personal hygiene and social distancing practices as far as possible.

## **DIPLOMACY**

Before traveling, you should obtain the contact information for your nation's embassy or consulate. There are currently 114 embassies in Riyadh. Several countries maintain consulates in other Saudi Arabian cities such as Jeddah and Dhahran.

## **ANTI-DOPING**

NEOM Beach Games follows and supports the Anti-Doping policies and testing protocols of the relevant International Federation and does not have a Games specific testing regime. Please check with your rights holder / international federation if you require further information on the specifics of your sport.

## ARRIVALS & DEPARTURES

When travelling into the NEOM Beach Games, the official Games airports are Tabuk (TUU) and NEOM Bay (NUM). Both airports offer international flights, but it is likely that your first point of entry into Saudi Arabia will be a connection through Riyadh (RUH) or Jeddah (JED). Your organizer will advise you on the final arrival airport based on your origin flight. Upon arrival into the country, you will be required to clear immigration, customs and possibly to recheck your baggage.

It's important to note the proximity of the venues to the airports as it might help plan your travel. The NEOM Beach Games Mountain Village is conveniently located near Tabuk Airport, while the NEOM Beach Games Hub is closer to NEOM Bay Airport.

### Sports Events by Airport:

#### NEOM Bay Airport:

- supertri NEOM
- FIBA 3x3 World Tour  
NEOM 2024
- NEOM Beach Soccer Cup
- World Aquatics Open  
Water Swimming World

#### Tabuk Airport:

- NEOM IFSC Masters
- NEOM TITAN Desert

Upon arriving at Tabuk or NEOM Bay Airport, after you have collected your baggage, proceed to the Arrivals Hall where our NEOM Beach Games team will be waiting to assist you. They will have a branded sign and will be wearing the official Games uniform. They will register your arrival and direct you to the complimentary bus transfer to the Athlete Village.

Upon arrival at the Athlete Village, head to the Welcome Centre to check-in, receive your key and the village welcome pack along with the directions to your room.

Your departure flight details have been provided to the NEOM Beach Games by your organizer. Return transfers to your departure airport will be scheduled to arrive in good time for your flight. Please see the Welcome Centre staff at the Athlete Village to check the time of your airport transfer.

## **SAFETY & SECURITY**

The safety and security of all participants and attendees of the NEOM Beach Games is the highest priority. The organizing committee of the Games is made up of a team of international sports industry specialists and local stakeholders who have worked closely with the best regional delivery suppliers to create a safe and secure, elite sporting event environment.

## **ACCREDITATION**

The Games accreditation system is based on the best practice principles of multi-sport international events. Your credentials badge will be available at check-in at the Athlete Village and will be required to access official competition and non-competition Games venues along with transport and catering services. Always keep your credentials with you and report issues or lost badges at the reception desk in the Welcome Centre of the Athlete Village.

## **MEDICAL**

The Athlete Village and each competition venue has a specialist Medical Center with fully qualified medical clinicians (doctor, nurse, paramedic and sports physiotherapist), supported by ambulance crews and medical air evacuation.

## **INSURANCE**

It is imperative that individuals verify the international coverage scope of their health insurance policies prior to travel. Be advised that healthcare facilities within the Kingdom of Saudi Arabia do not recognize any form of international health insurance. Consequently, individuals will be obligated to remit full payment for all medical services rendered by local hospitals and physician consultations. Most healthcare providers in the Kingdom accept remuneration in the form of cash or credit card transactions. It is highly advisable to procure supplemental insurance that encompasses medical evacuation costs.

For those insured under Saudi Arabian policies, it is essential to thoroughly review and comprehend all policy stipulations, as local insurances may incorporate exclusions not typically found in US policies. Notably, most Saudi Arabian insurance plans may exclude coverage for incidents occurring during participation in high-risk activities or adventure sports—activities which are frequently pursued by expatriates, such as operating all-terrain quad vehicles in desert environments. For athletes participating in sports or activities that entail a higher level of risk of injury due to the nature of such sport or activity, it is prudent to supplement their health insurance through a personal accident insurance.

## INCIDENT REPORTING

If you witness an accident or near miss, please report this to NEOM Beach Games staff or your Event Director at your earliest convenience.

## EMERGENCY NUMBERS

When checking into the Athlete Village, you will be provided with the Games hotline number.

If you have a medical or safety emergency outside of one of the official Games venues, the emergency number in Saudi Arabia is 112.

**If you know the service that you require, the specialist numbers are below:**

- Civil Defence (Fire) 998
- Ambulance 997
- Police 999
- Traffic Incident 993

# supertri NEOM

# supertri NEOM

supertri NEOM, a prestigious triathlon event, is the pinnacle of the supertri League with the Grand Finale in NEOM. Returning to NEOM for the third time, this exhilarating multi-discipline event gathers the best of the best male and female athletes from previous supertri events in Boston, Chicago, London, and Toulouse. These elite athletes will compete for the coveted individual and team league titles in NEOM on November 3.

For 2024, the course has undergone a strategic redesign to challenge the athletes' speed, technical prowess, and race craft. The innovative supertri 'Enduro' format will put competitors to the test across three intense rounds, each featuring a 300m swim, 4km bike, and a 1.6km run along NEOM Bay, ensuring a thrilling display of triathlon excellence.

# FIBA 3x3 WORLD TOUR NEOM 2024

# FIBA 3x3 WORLD TOUR NEOM 2024

FIBA 3x3 World Tour NEOM 2024 is a premier event in the popular sport of 3x3 basketball, the faster-paced, shorter version of traditional basketball. The 2024 season marks the 13<sup>th</sup> edition of the tour and represents the highest level of competition for city-based professional teams in 3x3 basketball. Taking place in multiple locations across four continents, the tour showcases the best in urban team sports and includes:

- **Global Competition:** It features teams from around the world competing in various cities.
- **Urban Culture:** The tour combines sports with urban culture, often featuring music and entertainment alongside the games.
- **Qualifying Events:** Teams can qualify for the World Tour through national federations' tournaments or via direct invitations.
- **Ranking Points:** Teams earn ranking points that contribute to their global standings.

The FIBA 3x3 World Tour is not just about basketball; it's a celebration of streetball culture and the 3x3 community. It's a unique blend of sport and entertainment that attracts fans from all over the globe.

# NEOM IFSC MASTERS

# NEOM IFSC MASTERS

NEOM IFSC Masters debuted at the NEOM Beach Games 2023. The event introduced innovative changes to the boulder competition, such as removal of athlete isolation, allowing climbers to observe the problems beforehand, and setting a 2-minute limit for each attempt.

A selection of 100 of the world's finest speed and boulder athletes from 25 countries will again compete in the speed and boulder disciplines. The competition takes place over three days in the Secret Garden area of the Hisma desert in NEOM, a location known for its stunning rock formations. The event promises to showcase a high level of competition with participants including Olympic medalists, world champions, and world record holders.

The climbing community is keen to see if Veddriq Leonardo from Indonesia, who is a brand new Olympic champion at Paris 2024, can reclaim his speed world record from America's Sam Watson. There's also anticipation around whether Mejdí Schalck from France and Levgeniia Kasbekova from Ukraine can repeat their impressive boulder victories from last year.

# NEOM BEACH SOCCER CUP

# NEOM BEACH SOCCER CUP

NEOM Beach Soccer Cup was first hosted at NEOM in 2019. The original founding sport of the NEOM Beach Games has quickly become a fan favorite and will be played at NEOM Bay. It is an invitational event that forms part of the Worldwide 2024 international competition calendar.

Renowned for its energetic and fast-paced matches, Beach Soccer Cup showcases the athleticism and skill of top international teams and players. With its high-quality field of men's and women's teams, it draws a dedicated global TV audience.

The Saudi Arabian men's team has previously been a strong contender, narrowly missing the title in past tournaments. Will 2024 be the year they triumph and lift the trophy? This competition will feature eight men's teams and four women's teams, including defending Champions from Brazil.

# NEOM TITAN DESERT

# NEOM TITAN DESERT

Dubbed the toughest mountain bike race in the world, the NEOM TITAN Desert returns to NEOM for another exciting race. NEOM TITAN Desert is a thrilling mountain bike event that covers over 400km of demanding terrain, divided into four challenging stages over four days. It's a race that unites the world's top cyclists with passionate amateurs, offering a unique combination of competitive sportsmanship and personal challenge.

"TITANS" will ascend a breathtaking 2,000m (about 1.24 mi), navigating through the mountains, valleys, deserts, and grasslands of NEOM's nature region. As a prestigious leg of the TITAN World Series, this race has earned a reputation for its rigorous demands on even the most seasoned cyclists.

In the 2024 elite men's division, Daniel Oss winner of the Grand Tours Tour de France 1 TTT stage (2015) Vuelta a España 1 TTT stage (2017) and the Pro Cyclist Luis Leon Sanchez will face off against the legendary Peter Sagan of Slovakia, a three-time UCI World Road Race Champion with seventeen Tour de France stage victories to his name.

Participants will also get to know the hospitality and infrastructure offered by Saudi Arabia.
