

## 2026 LIST OF TRAINERS

The following individuals constitute the only trainers officially approved by World Climbing for 2026 within their respective areas of competence.

This list is the sole authoritative reference for World Climbing recognised trainers authorised to deliver education, training courses and clinics, and related activities under the World Climbing framework.

Any training activity carried out on behalf of World Climbing must be delivered exclusively by the trainers listed herein and strictly within the scope of their designated areas.
