

## IFSC QUOTA 2025

### WORLD CUPS AND WORLD CHAMPIONSHIPS

#### *Additional Quota values*

#### 1. Purpose

This document identifies *Additional Quota* values applicable for the 2025 *World Cup* season and the 2025 *Climbing World Championships*. The IFSC quota principles have been communicated by the IFSC to the Member Federations during the 2024 IFSC General Assembly, and with the subsequent written report.

It should be noted that all Member Federations have the right to send up to two individual competitors per discipline/gender, as *Fixed quota*. The Fixed quota applies to IFSC World Championships (WCH) and IFSC World Cups (WCs). The *Additional Quota* values should be added to the *Fixed quota*.

#### 2. Additional Quota

Table 1 (*World Cups Additional Quota*) identifies the *Additional Quotas* assigned to each *Member Federation* for the 2025 *World Cup*.

Table 2 (*WCH Additional Quota*) identifies the *Additional Quotas* assigned to each *Member Federation* for the 2025 *Climbing World Championships*.

Table 3 (*WCH pre-qualified*) identifies the individual athlete who will receive a pre-qualification to the 2025 *Climbing World Championships*, on top of the *Additional Quota*

**Table 1 – World Cups Additional Quota**

2024 Continental Champions are pre-qualified by name to the 2025 IFSC World Championships

The athletes above are pre-qualified to the event, on top of the quotas granted to each Member Federation. The belonging Member Federation is still responsible to register the relevant athlete, where applicable
