Dear presidents, dear delegates, dear friends,

I am writing to express my enthusiastic candidacy for the position of Vice President to continue my work in finance but also and especially for Paraclimbing. As a passionate advocate of inclusion in sport, I believe I can contribute significantly to our community and help elevate the sport to new heights.

Following my mandate as Treasurer, I would like, at a minimum, to complete two ongoing operations: The headquarters and the events subsidiary. These are two very important projects in which I can bring my experience.

Concerning Paraclimbing, as a fervent defender of inclusion in sport, I believe I can make a significant contribution to our community and help raise the sport to new heights.

My journey in para climbing began in 2011 by attending the World Championships in Arco. I then actively participated in various events and initiatives, including hosting the 2012 and 2016 World Championships, which saw the first ever alternating climber and paraclimber finals. These experiences have equipped me with a deep understanding of the challenges we face and the potential we have with entry to the Los Angeles Paralympics Games 2028.

If elected as Vice President, I will focus on four key areas:

1. Finance: I will complete the relocation of our headquarters and the creation of the events subsidiary.
2. Advocacy and Awareness: I will work tirelessly to promote Paraclimbing and raise awareness about the unique challenges faced by athletes with disabilities.
3. Inclusivity and Accessibility: I am particularly passionate about accessibility and welcoming our clubs. I am committed to ensuring that our climbing facilities and events are accessible to all. I will advocate for resources and training for climbing gyms and organizations to create inclusive environments where everyone can thrive.
4. Community Building: I believe that a strong community is the backbone of any sport. I will foster connections among athletes, coaches, and supporters, encouraging mentorship, collaboration, and shared experiences.

I am excited about the opportunity to serve as Vice President and to work alongside passionate individuals who share my vision for a more inclusive and vibrant Paraclimbing community. Together, we can create an environment where every athlete feels valued, supported, and empowered to reach their full potential.

Thank you for considering my candidacy. I look forward to the possibility of working together to make a positive impact on our community.

Warm regards,
